

Maternity Photoshoots with Lotus Photography UK

#ShowYourUniqueStyle
www.LotusPhotographyUK.com

Hi!

I'm Emily, I'm the one behind the camera.

I live in sunny Bournemouth, usually hanging out on the beach or in coffee shops, but I also travel the UK, capturing fun, relaxed, modern photography.

I created Lotus Photography because, not only do I love photography, but I wanted to get people celebrating and loving their unique selves by saving those precious, authentic moments.

#ShowYourUniqueStyle is my motto in photography and in life. No cookie-cutter photoshoots here! I work with you to create the photoshoot that makes you feel truly celebrated for being you.

"So, what are you like?" I hear you ask.

You know that person who never sits still? I'm even faster...most likely fueled by too much coffee. When I'm not behind the camera, I can be found down the beach, roller skating, listening to rock music (apologies to my neighbours), exploring here, there & everywhere, playing computer games with my partner, Darren aka Mr Lotus, or drinking coffee...a lot of coffee.

So that's me, I can't wait to hear your stories.

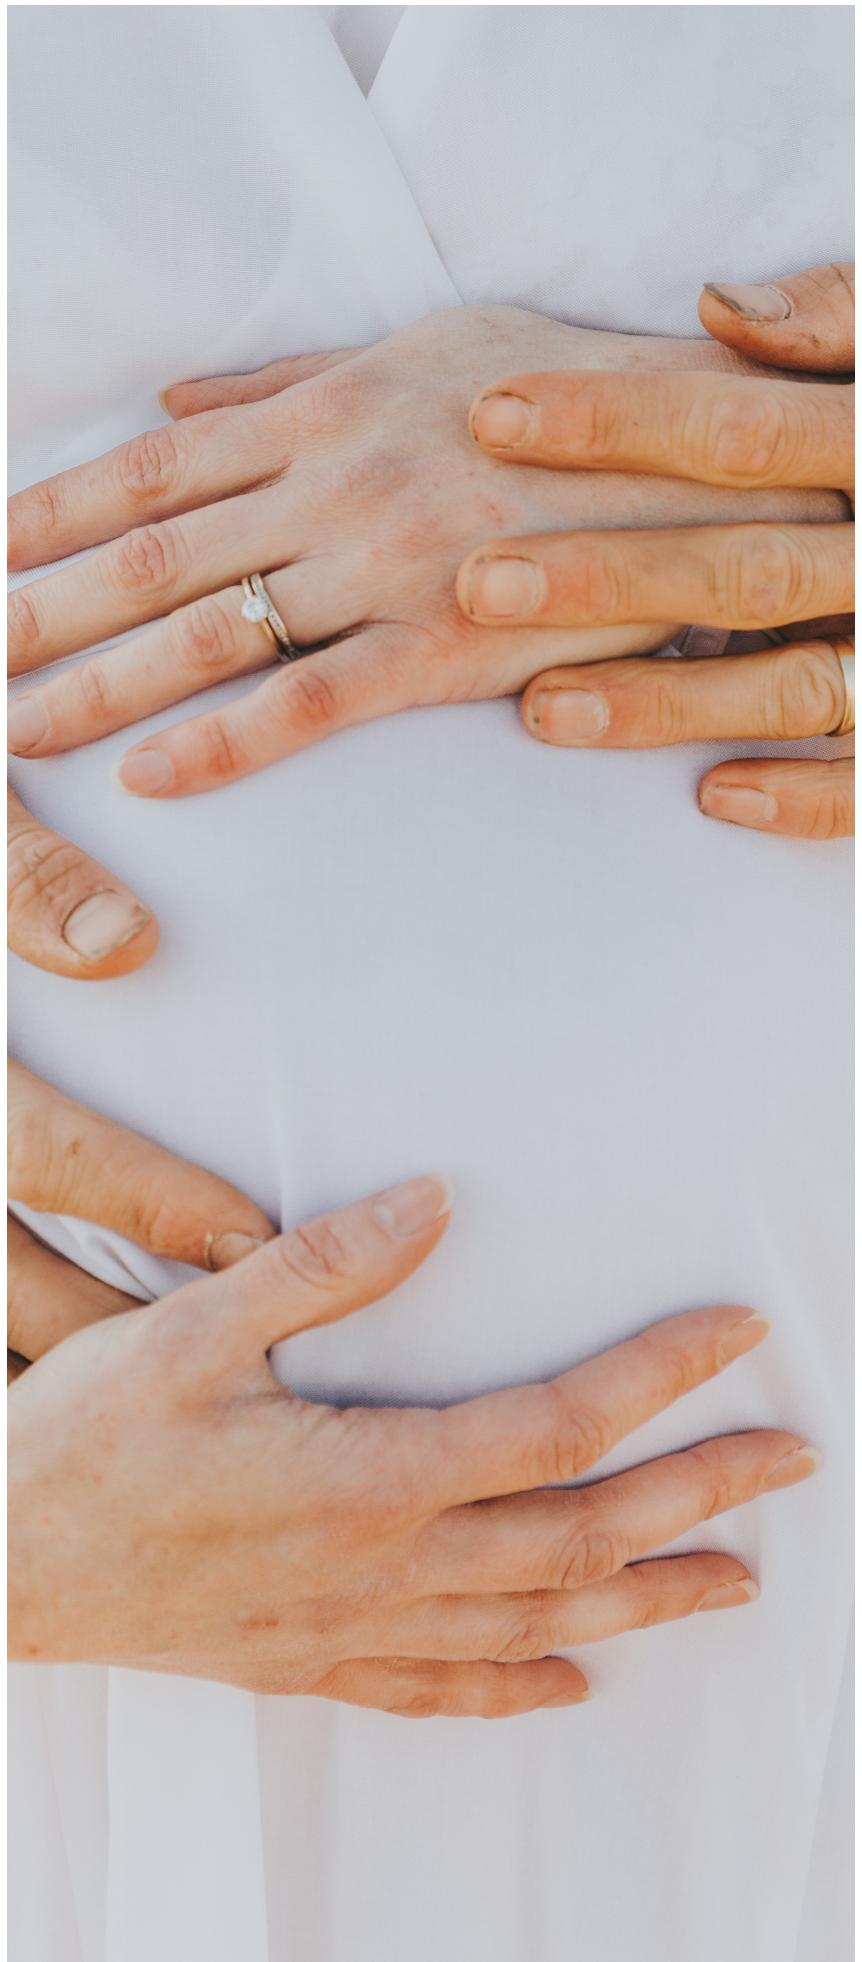

Emily

CONGRATULATIONS!

Congratulations on the new addition to your family.

I'm so happy for you.

With my maternity shoots, yes you still get my typical mischief, but I take extra care with you and bump so that you're all comfortable and feeling your best.

"I don't know any locations"

I love exploring, which means I know LOADS of gorgeous locations and around Dorset we are spoilt for choice.

Don't worry if you have a list of requirements, I always note down things like ease of access, parking, loos and even where has the best coffee (let's be honest, you all knew I'd test the local coffee).

A few of my favourites are:

Hengistbury Head

Burley

Studland

Sandbanks

Alum Chine

Bournemouth Upper Gardens

Kimmeridge Bay

Upton Country Park

Brighton Beach

Southbourne Beach

*"I'm nervous
in front of
the camera"*

Don't be!

During the shoot I talk you through lots of tricks and tips to create beautiful photos.

We'll spend so much time laughing, you'll quickly forget about the camera.

"What if it rains?"

We embrace it!

What can I say, English weather is unpredictable, but bad weather doesn't have to stop a fun photoshoot. We can grab some umbrellas and wellies and go jump in puddles and still get amazing photos.

Alternatively, if the weather is just not playing fair, then I'm happy to try and reschedule the shoot.
